

GENERAL INFO

A. BIBLICAL MODEL:

Christian Chaplain Corps East Pasco is a ministry based on Luke 10:1-24, where Jesus sent out the 70 (some tss, 72), ahead of Himself to various places to seek a harvest of souls. As such, we are a “lay-ministry” organization, seeking to recruit, equip and deploy volunteer Chaplains for ministry.

B. FOCUS:

CCC-EP is *Community-based and Great Commission-centered*. Volunteer Chaplains go out 2:2 throughout East Pasco to a number of fields of service for the specific purposes of:

- * Sharing the gospel (in the hopes of leading others to saving faith in Jesus Christ)
- * Making disciples (in some cases, mentoring)
- * And doing all manner of good in the name of Christ in support of existing organizations / ministries.

C. SUMMARY:

Volunteer Chaplains support and augment services offered by agencies, ministries or institutions in our area. At scheduled time(s) each week, each Chaplain goes to his // her assigned ministry location to meet with others at that site who are interested in talking with a Chaplain. Chaplains will:

- * Listen
- * Care
- * Pray
- * Share the Gospel
- * Give resources
- * Offer their card for on-going ministry / discipleship

While waiting for these ministry opportunities, Chaplains will make themselves available to assist the organization / ministry in practical ways as an additional set of hands.. They may be asked, in some cases, to receive programs specific training to best assist an organization in addition to their primary, Chaplain duties.
