TAMPA BAY

**"The harvest is plentiful, but the workers are few... Go, I am sending you out"**

*Dear Pastor or Church leader,*

*A member of your congregation has applied to our ministry, Chaplain Corps of Tampa Bay, to become a volunteer outreach Chaplain. This is a great commission focused role. Outreach Chaplains are given classroom instruction and considerable practical apprenticeship field training in personal evangelism and disciple-making. The field training is done directly at one of our partner agencies in the Tampa Bay area, matching an experienced Chaplain with a trainee.*

*Partner agencies / ministries are selected because they afford Chaplains the opportunity to engage in evangelism and disciple-making quite freely. Our motto is, "My community, my responsibility." We train and equip believers who possess a heart for the lost and a willingness to obey the call to "go," connecting them directly to the lost in their own community. Outreach Chaplains reach out to the poor, the disenfranchised, the incarcerated, the elderly, and to youth.*

*It is of course of great importance that Chaplains have a good Christian walk, are connected and committed to a local church body, and possess a good reputation for character and faithfulness. To that end, we are asking for your approval of this applicant's pursuit of serving the Lord in this vital work.*

*Please feel free to contact us should you need additional information. You may also visit our ministry website at the address below for more details of the ministry.*

*Thank you for your ministry to the Lord and to our area.*

*'Til we finish the race,*

Mike Holm  
Chaplain Corps of Tampa Bay  
Co-Coordinator

**I approve of \_\_\_\_\_ seeking to serve as a Volunteer Outreach Chaplain with  
Chaplain Corps of Tampa Bay.**
